

Appl. No. 10/065,908  
Amtd. dated August 22, 2005  
Reply to Office action of 07/13/2005

**REMARKS/ARGUMENTS**

Examiner:

Claims 1-2, 10-11, and 16 are rejected under 35 U.S.C. 103(a) as being unpatentable over Linzer (US 6,229,850). Claims 9 and 17-19 are rejected under 35 U.S.C. 103(a) as being unpatentable over Linzer (US 6,229,850) in view of Kim.

5       Claims 16 and 17 are rejected under 35 U.S.C. 101 because the claim format is unacceptable and subject to a 101 rejection. Claims 3-8, 12-15, and 20 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any 10 intervening claims.

Response:

Allowance of claims 3-8, 12-15, and 20, if rewritten appropriately, is acknowledged and appreciated. Without any disclaimer of any kind regarding the 15 merits of any claim in the current application, the Applicant has chosen to incorporate the allowed limitations of claims 3 into claim 1, incorporate the allowed limitations of claims 13 into claim 10, and incorporate the allowed limitations of claims 3 into claim 16. The preamble of claim 16 has also been amended as required by the Examiner to overcome the 35 U.S.C. 101 rejection. Claims 2-3, 11, and 13 have been cancelled. No new material has been introduced.

20       The Applicant believes that the present application is now in condition for allowance as required and respectfully requests that a timely Notice of Allowance be issued for this case.
